Abstract

The abstract is a short text to let people understand what is the document about. It should give the mains highlights of the documents. This document is a template to be use in the Final Project of the EA376E class. The recommendation is to use LaTeX by the application Overleaf.com, but it is also possible to use Google Docs or MS-Word.

1 Introduction

This is an example of paper citation: BERT is a transformer. T5 also uses transformers.
